Location: Charles F Dodge City Center
601 City Center Way
Pembroke Pines, FL 33025

Bring a picture of loved one for candlelight vigil

Livestream video of “Not My Child”

This is the worst drug addiction epidemic in American history. More than 400,000 Americans have died from opioid overdoses since 1999.

The epidemic was caused by overprescribing of opioids. As prescriptions soared, addiction and overdose deaths among both pain patients and nonmedical users increased in lockstep.

The Federal Government’s efforts to combat the epidemic are uncoordinated and underfunded.
